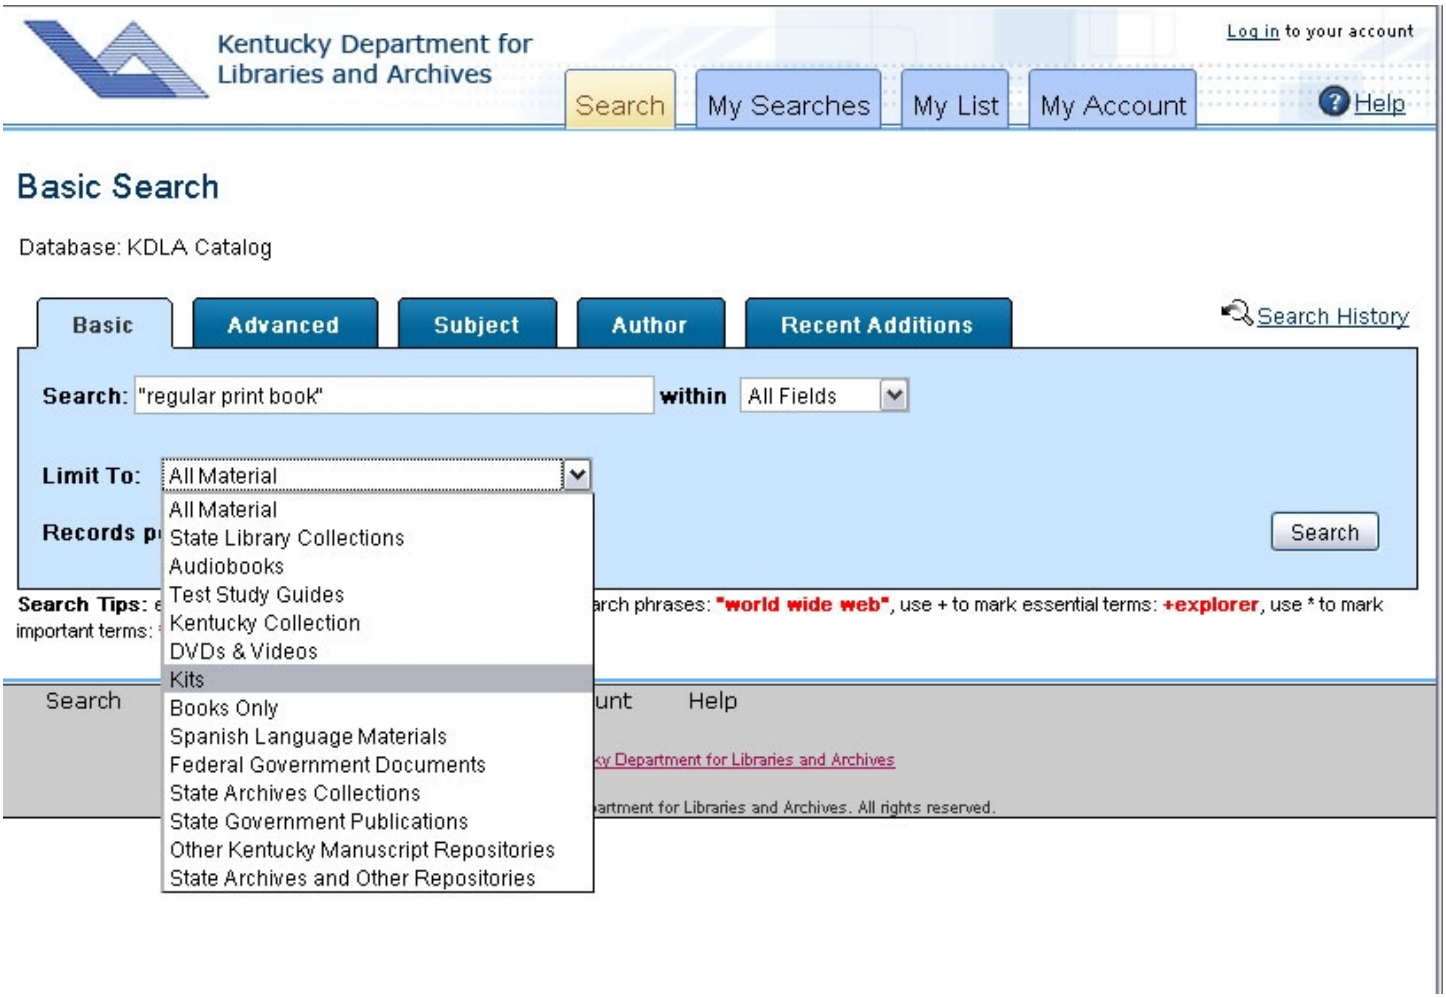
How can I search the catalog to find out what kit titles are available?

All kits can be found in the online KDLA Catalog at http://kdla.kyvl.org/index.html. Select "**Basic search**" from the index page. Then select "**Kit**" in the "Limit to:" drop-down menu, and search **"regular print"** (quotes included) within "All fields."



Still have questions? Contact the State Library by emailing "Ask a Librarian" at http://www.kdla.ky.gov/research/asklib.htm or calling 800-928-7000, ext. 342.
