Season Kick-off

- We kick-off our season with the Spring shindig in March. The shindig takes place on Saturday and is our big spring celebration. This gives everyone a feel of what our markets are like.
- We invite other community organizations (examples include head-start, the health department animal shelters) as well as vendors.

#### Vendors

- Must be local (our idea of local is someone from Henry County or any of the surrounding counties).
- We do not charge a fee for vendors to set up. This attracts vendors as must markets have a fee to set up.
- Vendors must sign liability release form.

#### Music & Food Truck

- We schedule a Food Truck every month. We do not use food trucks that need a guaranteed amount of sales or have a cost to set up. This keeps our cost for the market low, but is a popular draw.
- We have local Musician Don Edlin play at every market. The HC chamber covers the cost of his performance.
