# KET and Digital Book Discussion Kits

- KET is in the process of phasing out older content and will no longer offer childcare training courses with DVDs and/or VHS tapes **after June 30, 2022**. As a result, we have been deaccessioning the KET Lending Library since that time. All KET materials will be disposed of, and their records removed from our catalog. They have not been added to Kit Keeper. If you have patrons who inquire about program materials after June 30, please direct them to the KET Early Childhood Professional Development [website](#) for course and workshop options. If you have questions, please contact [Deborah.Hibbard@ky.gov](mailto:Deborah.Hibbard@ky.gov) or [ECPD@ket.org](mailto:ECPD@ket.org).
- KDLA partnered with the Boone County Public Library some years ago to offer customers access to digital book discussion kits. Contained in each digital book kit are an eBook in several file formats and a guide that has book information and discussion questions. The digital book discussion kits may include audiobooks, movies or other media related to the book. The material provided in the digital book discussion kits is part of the public domain and can be copied multiple times to any compatible device. Format and design of the book kit, as well as any original material created for the book kit, is property of Boone and Campbell County Public Libraries, who grant permission for non-profit, educational use. For a list of available kit titles and how to access, please contact the Boone County Public Library, <https://www.bcpl.org>.

## KDLA Youth Resources

*Did you know that classroom materials are available from KDLA to be borrowed through your local public library?*

**KDLA is a state agency that supports public library services through training, consultation, administration of federal grants, and supplemental library items. Schools can partner with their local public library to check out our book discussion and programming kits.**

# Information That Applies to All Kits

- This is a traditional ILL- just not through OCLC. Lost and/or damaged items may be assessed a replacement fee depending on the situation. Youth book kits are not subject to a fee unless the total cost exceeds \$100.00
- Some discussion kits may arrive without the full complement of books. The State Library always includes a check out receipt. Your library is only responsible for the items on that receipt.
- Don't let the suitcase barcode fool you. It will be on your receipt, and many think they are missing a book copy. The suitcase barcode can be found on the suitcase handle tag.
- Kits are shipped through the KYVL courier. Please allow at least two weeks for delivery. Other arrangements can be made if your library does not receive courier service.
- All kits can also be scheduled to be used by your patrons, either community groups or schools, but must be requested by a library staff member.
- If you do not have all the copies/items, please include a note in the kit indicating which items will be sent back later via the KYVL courier.
- A survey is included in each kit.

# FINDING KITS

# What is Kit Keeper?

---

- Kit Keeper is a web-based application that allows libraries to organize circulating kit collections, whether they are kits for book groups, educational collections, or for programming.
- Kit Keeper was created by a software developer called Plymouth Rocket in the late 2000s specifically for the Seattle Public Library system.
- Kit Keeper helps libraries to keep track of where kits are and allows member libraries to browse through and reserve titles themselves.

# Updated web page will go up on Tuesday, September 6

The screenshot shows the navigation menu of the KDLA website. The 'Librarians' dropdown menu is open, listing various resources. A red bracket highlights the 'Librarians' and 'Kits' items. A red box highlights the 'Kits at KDLA' item, with a blue arrow pointing to it. A red 'X' is placed over the 'Kit request' item. The background of the screenshot shows the 'Connection' logo and the text 'our State Library'. The year '2021' is visible at the bottom left of the page.

KDLA is implementing a new way to reserve programming and book discussion kits. It will allow Kentucky public libraries to see which kits are available for a particular date and reserve titles themselves. This new system, called Kit Keeper, will be open for reservations on Tuesday, September 6. Training on Kit Keeper will be offered by region as follows:

<https://kdla.ky.gov/librarians/kits/Pages/default.aspx>

## Kits at KDLA

### About the Kits

The State Library offers numerous adult and youth book discussion kits, as well as programming kits, in a variety of genres and themes.

Book discussion kits include copies of the book (up to 15 for adult kits and 20 for youth), an audiobook when available, and a discussion guide. Some youth book kits also include a large print and/or Spanish copy of the title.

Programming kits encourage kids and adults to explore, create, and learn at the library and at home. These kits contain many developmentally appropriate materials—books, CDs, DVDs, electronics, games or toys, and resource guides. For more specific information on our programming kits, please go to [this page](#).

### Reserving a Kit

Reservations are handled through a scheduling system called Kit Keeper. Please include your name in the **Patron Notes** field and whether you are scheduling for a public library program or outside patron (such as a school). Please be aware that all State Library kits are shipped using the [KYVL statewide courier service](#) and can only be used in Kentucky. If your library does not have a courier route, please contact [Deborah.Hibbard@ky.gov](mailto:Deborah.Hibbard@ky.gov), 502-564-8378 to make other arrangements for shipping. Reserving a kit requires entering authentication credentials. If you need assistance, please contact [kdlareferencedesk@ky.gov](mailto:kdlareferencedesk@ky.gov).

## FAQ

### Who can reserve a kit?

Anyone residing in Kentucky can make use of our kits, including schoolteachers and school librarians, homeschooling parents, and community book clubs.

**However, all kits must be reserved by a local Kentucky public library staff member.** If you need help determining who to contact at your local public library, please email [kdlareferencedesk@ky.gov](mailto:kdlareferencedesk@ky.gov).

### When will I get my kit?

**When scheduling, please allow at least two weeks for delivery.** Choose a "reserve" date two weeks prior to the date you need the kit. If you don't receive your kit on time, please contact us ASAP at [kdlareferencedesk@ky.gov](mailto:kdlareferencedesk@ky.gov) so that we can make other arrangements.

### How long can I keep my kit?

Kits check out for a nine-week period

Kits check out for a nine-week period from shipping date to due date. If you need longer than the standard check out period, or need an extension on the due date, please contact [Deborah.Hibbard@ky.gov](mailto:Deborah.Hibbard@ky.gov), 502-564-8378

### What happens if items are lost or damaged?

Kits are treated as interlibrary loans and are subject to fees for lost or damaged items depending on the situation. Any items declared lost but later returned will have the charges reversed. Youth book discussion kits will not be subject to charges for lost or damaged items unless the total cost exceeds \$100.00. Please contact [Deborah.Hibbard@ky.gov](mailto:Deborah.Hibbard@ky.gov), 502-564-8378 for more information.

## Choosing a Reservation Date

- Please allow at least 2 courier days, or 2 weeks, for a kit to reach you.
- Keep in mind that the KYVL courier has the same schedule as state government. The courier does not run on weekends or state holidays. If you are unsure about the courier schedule, you can check it at <https://kyvl.org/courier/blog>
- Look at the date you need the kit to be at your library, then choose a reservation date *two weeks prior* to that date.
