

KDLA Youth Resources

Did you know that classroom materials are available from KDLA to be borrowed through your local public library?

KDLA is a state agency that supports public library services through training, consultation, administration of federal grants, and supplemental library items. Schools can partner with their local public library to check out our book discussion and programming kits.

Classroom Resources

Youth Book Discussion Kits

Youth book discussion kits for grades PreK-12 feature a wide range of literary styles and genres. Each kit contains up to 20 copies, a discussion guide, and an audiobook, 2 Spanish copies, and a large print copy when available.

Kentucky Bluegrass Award (KBA) Kits

These kits are collections of books from the Kentucky Bluegrass Award program, designed to encourage diverse reading among students. Titles are selected annually in collaboration by Kentucky teachers and public librarians, and voted on by Kentucky children and students.

Programming Kits - STEAM, Teen, & Everything in Between!

The State Library offers multi-format interactive learning kits that contain a large number of developmentally appropriate materials—books, CDs, DVDs, electronics, games or toys, and resource guides.

Just contact a public library staff member today to schedule a KDLA kit!

For more information on KDLA kits and listings of titles, visit <https://kdla.ky.gov>, then click Librarians in the menu and choose Kits
