Narrative
 Our library has 2 eligible entities for monthly fiber Internet service: our main library at 100 Main Street, Boonesburg KY 40069 and our branch library at 300 Tulip Poplar Lane, Loganville KY 40078. We currently have fiber Internet with 50 Mbps downstream and 50 Mbps upstream at our main library and 25 Mbps downstream and 25 Mbps upstream our branch library, but we want to increase to 100 Mbps downstream and 50 Mbps upstream at both locations. We will consider contracts with multiple extensions, and the service start date will be July 1, 2016. Please include quotes for all capacities offered between 25 Mbps and 100 Mbps and options for burstable bandwidth. Service providers must have a service provider identification number (SPIN) or the bid will be disqualified.
