# *General Information*

## **2013 Summer Reading Program Conference Thursday, Feb. 7 and Friday, Feb. 8, 2013 Cave City Convention Center**

Go Underground in Cave City, KY for the 2013 Summer Reading Program Conference! This will be a two day conference with different sessions each day. Here is the important information that you will need to know:

### **Registration:**

You may register for the conference using this link:

<http://core.kdla.ky.gov/ce-libraries/content/2013-summer-reading-program-conference>

Registration fee is: \$85.00

The deadline for registration and payment is **Thursday, January 24, 2013**. The registration fee is not refundable for any reason after January 24, 2013. After January 24, if the person registered cannot make it, you may send a substitute. Registration fee is payable by check only and must be made out to: KY State Treasurer. On-site registration is **not** permitted.

A continental breakfast and a buffet lunch on Thursday and Friday and an afternoon snack on Friday are included in the registration fee.

### **Travel Information:**

The Cave City Convention Center (<http://www.cavecityconventioncenter.com>) is in the Central time zone and is at Exit 53 on Interstate 65 north of Glasgow and Bowling Green. You will find more travel information at the end of the brochure.

	Read & Win Stuff: Maximizing Teen Summer Reading Participation	KY Room B

\* Sessions subject to change.

# Cave City Convention Center

# Schedule with Session Descriptions

Thursday, February 7, 2013

9:00-9:50

## **Beneath The Surface, Digging Up Bones and Stuff**

*Tabitha Coffman, Casey County Public Library*

This presentation will be about digging up different things, such as bones, pottery, treasures, fossils and dinosaur eggs.

**West Hall A**

## **Summer Reading Boot Camp for Beginners (And intermediates and even wizened ones too!)**

*Carol Sexton, Pulaski County Public Library*

A training camp for Summer Reading "Newbies." Simple, effective exercises employing the 5 P's and the all-important E of Summer Reading. Preview, Peruse, Process, Prepare, Produce, and Enjoy!

**West Hall B**

## **Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

## **Time Fillers on a Shoestring Budget**

*Deanna Nelson, Lawrence County Public Library*

I have developed a few games that I use for all age groups in my library they are easily adapted to any age and are quick, easy and cheap to make.

**Kentucky Room A**

## **Carpe Karst: Getting Down and Dirty, Underground**

*Mark and Jennifer Adler, Paris-Bourbon County Public Library*

Long-time cavers Mark and Jennifer Adler will talk about the grungy, filthy, dirty, muddy, and even sexy art of caving and science of speleology. Sharing real-life stories about harrowing and not-so-harrowing experiences in the underground, Mark and Jennifer will stress to participants information about best techniques and practices for safe caving. Participants will be given many programming ideas that can be used in libraries during the teen summer reading program. Among other information provided, they will introduce caving and karst-related groups dedicated to educating people about caving and the valuable resources that exist in Kentucky and programs such as Project Underground that provide specialized certification for formal and non-formal environmental educators. No one will walk away without a greater understanding of caves, why they are super cool, and why some crazy people enjoy spending great amounts time in them. This sense of awe and wonder will provide much that can be used to get teens excited about summer reading, caves, and the outdoors.

**Kentucky Room B**

**10:00-10:50**

**Bookaneers Find Treasures in Books**

*Vicki Benner, Greenup County Public Library*

Pirate books, activities, crafts, resource information.

**West Hall A**

**Where Would I Be Without You?: Groundbreaking Fiction for Adults and Teens**

*Leigh K. Mauer and Michelle Mueller, Kenton County Public Library*

Where do authors get their ideas? How much are they influenced by the books they've read? And who's the "original"? In this session we'll take a look at some of the most noteworthy novels and series of the last century and other books that have been influenced by them. Trend setter or trend follower? Join us and find out!

**West Hall B**

**GROUND  
BREAKING  
READS**

**Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

**Fantasy Subway**

*Sherry Noon, Anderson County Public Library*

I will show on wax paper a drawing of "our town's fantasy subway system" that we created. I will have graffiti back boards, examples of prizes for the teens, subway maps and books. I will talk about the process of how our teens completed this project.

**Kentucky Room B**

**Roundtable Discussion**

*Infant-Preschool-School Age*

**Sunroom**

**11:00-11:50**

**Be Awesome! : How to Run a Successful Summer Reading Teen Volunteer Program**

*Suzanne Banta-Kirk, Henry County Public Library*

Presentation attendees will learn how to recruit, manage, and reward teen volunteers. Information about running a successful Teen Advisory Group will also be presented. There will lots of time for group interaction through the sharing of experiences and ideas as well as a discussion on what makes a program successful.

**West Hall A**

**Mining Your Collection**

*Erinn Conness, Paul Sawyier Public Library*

Unearth hidden treasures among your current collection and snag new gems to make your Summer Reading Program sparkle.

**Kentucky Room A**

## **Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

## **EcoGraffiti: Growing Art in the Library**

*Jennifer Beach, Kenton County Public Library*

Session will: Describe the idea of Eco Graffiti and outline the steps involved in creating Eco Art. Produce hands-on mini art for the participants take home. Provide hand-outs to describe the process and information regarding planning and care of the art. Offer suggestions for ways to utilize eco art on the library grounds.

**West Hall B**

## **Teens Aren't Toddlers: Adapting Your Summer Reading Program For YA's**

*Tammy Blackwell, Marshall County Public Library*

Session will focus on how to start a YA summer reading program, examining what elements do and don't work for teens.

**Kentucky Room B**

**12:00-1:30**

**Luncheon**

## **If These Stones Could Talk: The Stories of Ten Warren County Tombstones**

*Jonathan Jeffrey, Western Kentucky University Department of Libraries Special Collections*

Luncheon Address

Jonathan Jeffrey, the Manuscripts & Folklife Archives Coordinator in the Kentucky Library & Museum, is responsible for acquiring, accessioning, cataloging, and providing reference services for unique manuscript items as well as folklore collections. The collection numbers over one million pages within approximately 4,500 manuscript collections as well as 4,000 audio recordings.

Jeffrey, who has been with the Kentucky Library & Museum since 1990, also provides research instruction for classes in the use of primary sources and assists with reference duties in the Kentucky Library.

**Auditorium**

**1:40-2:30**

## **Aussie Adventure**

*Candace Forsythe, Kentucky Down Under*

Learn about animals Down Under with Kentucky Down Under.

**West Hall B**

## **Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

## **Creative Book Discussions for Adults**

*Delois Walters and Monica Edwards, Warren County Public Library*

Learn how to get the maximum response with creative, hands on ideas and activities for Adult Book discussions with Delois Walters and Monica Edwards from Warren County Public Library.

**Kentucky Room A**

## **Using Games to Attract Teens to Summer Reading**

*Jonathan Campbell, Floyd County Public Library and Tim Gampp, Kentucky Department for Libraries and Archives*

We will talk about and review several popular games in different genres. I will also discuss strategies on how to easily set up gaming programs at your library with little to no knowledge of the game being played.

**Kentucky Room B**

## **Roundtable Discussion**

*Teen-Adult*

**Sunroom**

**Offsite @ Mary Wood Weldon Memorial Library, Glasgow, KY**  
**3:10-4:40 - Discover Tech: Engineers Make a World of Difference—STEM Exhibit and Programming Ideas**

*Marla Ford, Amy Tollison, Martha Nell Thomas, and Joy Stryzek, Mary Wood Weldon Memorial Library*

The Mary Wood Weldon Memorial Library in Glasgow, Kentucky is one of eight libraries in the country chosen to host the interactive, traveling exhibit, “Discover Tech: Engineers Make a World of Difference.”

Through exciting interactive elements and displays, visitors to the Discover Tech exhibition will realize that engineers are real people who, through a creative and collaborative design process, arrive at practical solutions to help solve society’s problems in the U.S. and throughout the world. Visitors will become familiar with the National Academy of Engineering’s 14 Grand Challenges for Engineering, critical issues that must be addressed in the 21st century. They will also learn about the fundamental principles of energy, become aware of their own energy use, and understand the impact of engineering on societies over time and place.

Attendees will have the opportunity to view and interact with the exhibit and librarians from the Mary Wood Weldon Public Library will present coordinating STEM (Science Technology Engineering Mathematics) programming ideas for all age levels.

This session will be presented at:

Mary Wood Weldon Memorial Library, 1530 S Green St. Glasgow, KY 42141

Driving directions:

1. Head south toward Mammoth Cave St 348 ft
2. Turn left onto Mammoth Cave St 0.4 mi
3. Continue onto Broadway St 0.3 mi
4. Turn right onto US-31W S 0.7 mi
5. Turn left onto KY-90 E/E Happy Valley St 9.1 mi
6. Turn right onto N L Rogers Wells Blvd 2.0 mi
7. Turn left onto S Green St

Destination will be on the right 0.1 mi

Mary Wood Weldon Memorial Library, 1530 S Green St., Glasgow, KY 42141

From Cave City Convention Center to STEM program @ Mary Wood Weldon Memorial Library: 12.8 miles / 21 minutes

Parking: We have a large parking lot around the building and a lower lot so parking should not be an issue.

**Offsite @ Mammoth Cave**  
**3:10-5:10 - Historic Cave Tour - FREE**

Directions: Take Interstate 65 to Exit 48 (Park City Exit).

Turn left onto KY-255 and follow 255 as it becomes the Park City

Road into the park. Follow Park City Road until it joins the

Mammoth Cave Parkway; turn left. Follow the Mammoth Cave Parkway to the Visitor Center.

From Cave City Convention Center to Mammoth Cave National Park: 12 miles / 22 minutes

**6:30-8:30 - History Cave Tour - FREE**

From Cave City Convention Center to Mammoth cave National Park: 12 miles / 22 minutes

From Mary Wood Weldon Memorial Library to Mammoth Cave National Park:

24.1 miles / 32 minutes and take Exit 48 off of I-65.

**Friday, February 8, 2013**

**9:00-9:50**

**“Reindeer, Inflatables and Beauty Queens, Oh My...”**

*Juliana Gaddis, Kate Irwin, Rachel Staub and Amanda King, Jessamine County Public Library*

Learn how to supplement your regular storytime programming with high-interest special event programs. This session will feature the Children’s Programming Team from the Jessamine County Public Library sharing about some of their most successful special event programs. You will get detailed information about how to adapt these programs for your community.

**West Hall A**

**Orpheus and Eurydice: A Cautionary Tale of Losing One’s Heart**

*Mark and Jennifer Adler, Paris-Bourbon County Public Library*

Cavers Mark and Jennifer Adler will talk about the beauty of caves and how caves archetypically represent both hope and fear in Western culture. Though caves are certainly dark and dangerous, they also offer much learning potential. Mark and Jen will share stories about caving with their children and demonstrate how caves and caving can be made to live vibrantly in the minds of infants and children K-5. Participants will be provided with information that will help them design summer reading events about caves and caving for children in their community. Potential holistic and kinesthetic learning experiences will be discussed and participants will explore how libraries can partner with schools to support the No Child Left Inside legislation.

**Kentucky Room B**

**Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

**Bringing Children’s Literature to Life**

*Jenay Hall, Letcher County Public Library*

Use puppets, songs, dance, activities, story-telling, crafts and snacks to bring books to life for readers and listeners of all ages. Some children learn by listening, some by seeing, and others by doing, this presentation uses all of the learning styles and all of the five senses, plus props and imagination to create a lifelong love of reading books and treasured memories at the library, showing juvenile readers and their parents how to bring their books to life by creating excitement and inspiring creativity for the whole family.

**Kentucky Room A**

**Unearth Teen Talent**

*Tammy Blackwell, Marshall County Public Library*

Learn how to start a Teen Writing Group at your library! Session will include writing prompt ideas and information on affordable author visits.

**West Hall B**

**Roundtable Discussion**

*Infant-Preschool-School Age*

**Sunroom**

**10:00-10:50**

**Breaking Down with Redwigglers**

*Dr. Jeanine Huss, Western Kentucky University*

Vermicomposting involves some initial set up time, but it is easy to manage. This session will teach participants about earthworms and in particular, redwigglers, while also providing materials to create your own vermicomposting containers to take back to your local libraries. Worms, quiet by nature, are a perfect creature to have in a library setting. Students of all ages, including adults, find worms intriguing. A bibliography and sample activities on earthworms will be given to participants as well.

**There will be materials available for 20 people per session.**

**West Hall B**

**Tricking a Trickster: Tricksters, Twisters and Tales**

*Mary Rushing, Fleming County Public Library*

Tales, twists and tricks to entertain and encourage children's reading through the summer. Ideas and books about tricksters that are "dug up" from the past and from the present. Books we have used for years and ideas that are used today to excite and enhance literacy and library services.

**West Hall A**

**Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

**The View From the Other Side**

*Debi Jordan, Community Education Director, Bowling Green-Warren County Community Education*

Successful collaborations, what works, what doesn't and what community partners really need so your summer reading program is a success...for everyone.

**Kentucky Room A**

**Fun in the Sun --Collaborating with a Teen Advisory Group to Enhance Your Summer Reading Program**

*Bookie Wilson and Becky Watson, Woodford County Public Library*

Learn how to work with Teen Advisory Group members to improve your Summer Reading Program.

**Kentucky Room B**

**11:00-11:50**

**Breaking Down with Redwigglers**

*Dr. Jeanine Huss, Western Kentucky University*

Vermicomposting involves some initial set up time, but it is easy to manage. This session will teach participants about earthworms and in particular, redwigglers, while also providing materials to create your own vermicomposting containers to take back to your local libraries. Worms, quiet by nature, are a perfect creature to have in a library setting. Students of all ages, including adults, find worms intriguing. A bibliography and sample activities on earthworms will be given to participants as well.

**There will be materials available for 20 people per session.**

**West Hall B**

## **Digging Deep: Overlooked Kentucky Fiction**

*Jeanna Cornett, Kentucky Department for Libraries and Archives*

Think you know all about Kentucky authors and books? Think again! Come learn about Kentucky authors and Kentucky books that you may have missed, get ideas for Summer Reading book club books, and ways to get your readers more interested in learning about our Commonwealth

**Kentucky Room A**

## **Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

## **Dig Up Your Creativity: Do More with What You Already Have**

*Lynn Baker, Paul Sawyier Public Library*

Budgets are tight for everyone, but your library's Summer Reading Program doesn't have to suffer! In this workshop, you'll get lots of ideas for creating great programs for preschoolers with things that you already have.

**West Hall A**

## **Assets to Action: A Common Sense Approach to Teens and Patrons in the Library**

*Krista King-Oaks, Boone County Public Library*

Learn all about the Search Institute's 40 Developmental Assets framework and philosophy for creating healthy kids and healthy communities. Though there is research and assets created for several age groups, this training will focus on the assets devised to frame the adolescent years. The first half of the training will be an overview of adolescent behavioral and psychological research that lead up to the creation of the Developmental Assets framework, as well as how current studies illustrate the benefit of assets modeling and mentorship in a young person's life. The second half of the presentation will focus on exploring the assets as they pertain to our work in the library and best practices when working with teens, from programming to customer service.

**Kentucky Room B**

## **Roundtable Discussion**

*Infant-Preschool-School Age*

**Sunroom**

**12:00-1:30**

**Luncheon**

## **Digging For Inspiration: Unearthing the Unsung Heroes of Kentucky's Past for Today's Readers**

*Heather Henson*

Luncheon Address

Award-winning children's book author Heather Henson discusses her books and what often inspires her as a writer: ordinary people from Kentucky history doing extraordinary things. Heather was born and raised in Danville, Kentucky. She is a former editor of children's books with HarperCollins Publishers in New York City, as well as the author of several books for young readers, including the novels *Dream of Night*, *Here's How I See It – Here's How It Is* and *Making the Run*, a New York Public Library Book for the Teen Age. Her picture books include *Angel Coming*, *Grumpy Grandpa* and *That Book Woman*, illustrated by David Small. *That Book Woman* is a Junior Library Guild selection, win-

ner of the Christopher Medal, the Great Lakes Book Award, and a finalist for the Kentucky Bluegrass Award. After many years of city living, Ms. Henson recently returned to her home state where she resides with her husband and three children on a family farm near Danville.

## **Auditorium**

**1:40-2:30**

### **Diggin up Bones/Beneath the Surface**

*Monica Edwards, Warren County Public Library*

From preschool to teen, this activity covers all ages. Learn how to involve teens in your Summer Reading programs while having fun with the little guys, too.

## **West Hall A**

### **Heading Underground**

*Katy Grant, Louisville Free Public Library*

Grab your flashlight and gather round as we head down underground. Are you fast enough to get what you need to survive underground? Are you crafty enough to create makeshift materials you can use underground? You will use your imagination to pick and choose activities, crafts, book talks, and games to mix and match for a unique program at your library.

## **West Hall B**

### **Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

## **West Hall C**

### **KDLA for Public Libraries: Services and Programming for Adults**

*Nikole Wolfe, Kentucky Department for Libraries and Archives*

Nikole Wolfe, Regional Librarian in Region 2 at KDLA will give an overview of the services KDLA offers to public libraries for adult summer reading programming. Learn about borrowing book discussion kits and other circulating collections such as large print and audiobooks. Adult programming kits from KDLA offer a simple and free way for you to provide high-quality adult library programs to the community.

## **Kentucky Room A**

### **Lighting A Path to Reading, One Book at a Time**

*Heather Henson*

Breakout session

Even in our digital age, young kids still love to be read to and teens still want to be swept away. In this session, Heather Henson discusses how she became inspired by the Great Depression-era work of the Pack Horse Librarians of eastern Kentucky, and how she tries, through her own writing, to continue their mission of making a difference in literacy and learning, one reader at a time.

## **Kentucky Room B**

### **Roundtable Discussion**

*Teen-Adult*

**Sunroom**

**2:40-3:00 Afternoon Break/Snacks**

**3:10-4:40**

**Gardening @ Your Library: A Multi-Age Approach**

*Patricia Hersey and Leslie Sutherland, Carroll County Public Library*

After deciding to plant a garden in a too-long unused space behind the library, we were then faced with the challenge to find ways to integrate it into library programming. Through our own experimentation and the help of a class from Longwood Gardens, we've come up with lots of ideas for ways to incorporate the natural world into the life of your library. Don't think you have enough space for a garden? We'll show you how to find space you never realized you had. Program ideas for children, adults and families.

**West Hall A**

**Dig In: The Art and Science of Dirt**

*Christy Morrow and Katie Camp, Lexington Public Library*

Children explore the properties of dirt and mud through artistic and scientific play in two programs for preschoolers.

**West Hall B**

**Dig into Mammoth Cave**

*Cheryl Messenger, Mammoth Cave National Park*

This hands-on session will help you learn more about Kentucky caves and activities that you can use in your summer programming.

**West Hall C**

**Diggin' on a Dime: Summer Reading**

*Stephanie Wycihowski and Tishiba Roberson, Warren County Public Library*

We will present many practical, budget friendly "Dig into Reading" programming ideas for Preschool-Highschool and will provide take-home, useable handouts that can easily fit into your summer reading program plans! (60 mins)

**Kentucky Room A**

**Read & Win Stuff: Maximizing Teen Summer Reading Participation**

*Jessy Griffith, Kenton County Public Library*

Teen summer reading numbers got you down? Learn new ways to approach your teen program and teen population.

**Kentucky Room B**

\* Sessions subject to change.

**Registration:**

You may register for the conference using this link:

<http://core.kdla.ky.gov/ce-libraries/content/2013-summer-reading-program-conference>

Registration fee is: \$85.00

The deadline for registration and payment is **Thursday, January 24, 2013**. The registration fee is not refundable for any reason after January 24, 2013. After January 24, if the person registered cannot make it, you may send a substitute. Registration fee is payable by check only and must be made out to: KY State Treasurer. On-site registration is **not** permitted.

A continental breakfast and a buffet lunch on Thursday and Friday and an afternoon snack on Friday are included in the registration fee.
