

BRIGHT START EXPLORERS

Bright Start Explorers

Funded by Partners for Rural Impact

A Program for Families with Children in Pre-K through 2nd Grade to Boost Learning, Prepare for Kindergarten, and Support Success in School.

Families will receive:

- Home access to an online learning platform designed to work if used just 15-30 minutes a day/5 days a week
- Device and/or Internet when requested
- Caring Coaches offering guidance and encouragement tailored to each child
- Book Bag + Reading Guide
- Weekly texts with learning tips
- Fun, Adaptive, Evidence based curriculum
- Skill development in reading, math and science to help them be ready for school
- **All at no cost!**
