The Kentucky High School Athletic Association continues to strive to provide an accurate records listing. With the help of its member schools, fans and members of the media, we have been able to compile the following listing. If you know of a correction or addition that has been omitted, please don't take offense, but help us out by submitting a record application form (available at khsaa.org). Contact Joe Angolia, KHSAA Communications Director by phone at (859) 299-5472 or e-mail at jangolia@khsaa.org with any questions on the record process. When referencing a "State Record" please remember that the top mark in each category is the best performance that the KHSAA has on file. Thanks for your help and interest in Kentucky High School Football.
