

Annual Report for KLU FY24

There has been a very big change to the Annual report this year, that will effect what you need to report from KLU. Every member library will have entries for the fields indicated in the Blue "consortium" list, and Advantage libraries *might* have entries in the fields addressed in the Green "Advantage" list depending on their collection. Answers in yellow boxes are exactly what you put in that field on the report, answers in any other color refer you to your library's entry in the chart below. If you do not have data in that line then KLU does not effect your answer to that question. Advantage libraries with Libby extras can see where each one was classified in the list below the data chart.
