WEB LINKS TO PUBLIC LIBRARY STATISTICS AND RESOURCES

Kentucky Department for Libraries and Archives “Public Library Statistics” -- <https://kdla.ky.gov/Library-Support/plssd/Pages/Public-Library-Statistics.aspx>

This section of the KDLA web site contains links to the Statistical Report of Kentucky Public Libraries, library comparisons, and other library statistical resources.

Informata Connect -- <https://collectconnect.baker-taylor.com/Connect/Login.aspx>

Connect is a powerful, easy to use online statistical tool for creating tables and graphs comparing libraries throughout the country. Connect is licensed to all Kentucky public libraries, their staff and trustees. You will need a login and password to use the program. The program has recently been updated with an improved interface and additional capabilities.

Kentucky State Data Center -- <http://ksdc.louisville.edu/>

This site is an essential resource for demographic information about Kentucky and its counties.

American Library Association, Office for Research and Statistics -- <http://www.ala.org/tools/topics/research>

ORS offers a wide range of information and links to studies of all types of libraries.

Library Research Service -- <http://www.lrs.org/>

“The Library Research Service generates library statistics and research for library and education professionals, public officials, and the media. LRS reports and analyzes statistics on school, public, and academic libraries, and conducts studies on major library issues that are reported in the Fast Facts and Closer Look series. LRS is an office of the Colorado State Library, which is a unit of the Colorado Department of Education.”

Institute of Museum and Library Services – Library Statistics -- <https://www.ims.gov/research-evaluation/data-collection/public-libraries-survey>

Beginning in 2008 the Institute of Museum and Library Services (IMLS) administers two library surveys previously conducted by the National Center for Education Statistics (NCES). The Kentucky Department for Libraries and Archives provides input for both the Public Library Survey and the State Library Administrative Agency Survey.

GLOSSARY

- **ALA-MLS**
Librarians with master's degrees from programs of library and information studies accredited by the American Library Association.
- **Annual Public Service Hours**
Sum of all public service hours for all central libraries, branches, and bookmobiles. Includes limited occupancy.
- **Audio – Physical Units**
Includes sound recordings stored in a fixed, physical format.
- **Book Turnover**
Total book circulation divided by total book collection.
- **Bookmobile**
A truck or van that carries an organized collection of library materials, has paid staff, and regularly scheduled hours (bookmobile stops) for being open to the public.
- **Branch Library**
Auxiliary unit of an administrative entity which has all of the following: (1) separate quarters, (2) an organized collection of library materials, (3) paid staff, and (4) regularly scheduled hours for being open to the public.
- **Budget Expenditures**
Sum of costs for collection, personnel, and operations.

Examples include funds received for a) site acquisition; b) new buildings; c) additions to or renovation of library buildings; d) furnishings, equipment, and initial book stock for new buildings, building additions, or building renovations; e) library automation systems; f) new vehicles; and g) and other one time major projects.
- **Children's Program Attendance**
The count of the audience at all programs for which the primary audience is children 11 years and under. Includes adults who attend programs intended primarily for children.
- **Circulation**
Materials in all formats that are charged out for use outside the library, including renewals.

GLOSSARY

- **Use of Electronic Material**

Electronic Materials are materials that are distributed digitally and can be accessed via a computer, the Internet, or a portable device such as an e-book reader. Types of electronic materials include e-books and downloadable electronic video and audio files.

- **Electronic Books (E-Books)**

These are digital documents (including those digitized by the library), licensed or not, where searchable text is prevalent, and which can be seen in analogy to a printed book (monograph). Includes non-serial government documents. E-books are loaned to users on portable devices (e-book readers) or by transmitting the contents to the user's personal computer for a limited time.

- **FTE (Full Time Equivalent)**

To ensure comparable national data use the following calculation for budgeted positions:

Hours worked by employees in a position / 40

- **General Operating Expenditures**

Library costs including supplies, rent, fees, building maintenance, postage, etc.

- **Intellectual Freedom Incidents**

The number of challenge incidents.

- **Local Government Revenue**

All local government funds designated by the community, district, or region and available for expenditure by the public library. Does not include the value of any contributed or in-kind services, or the value of any gifts and donations, library fines, fees or grants.

- **Material Circulated, Central Library**

Total material circulated in central library only.

- **Material Circulation Per Capita**

Sum of all material circulated for the central library, branches, and bookmobiles, divided by population.

- **Other Operating Revenue**

This is all operating revenue other than that reported under local, state, and federal.

- **People Entering Library**

Attendance. The total number of persons entering the library for whatever purpose during the year.

- **Population**

The latest county population estimates as released by the Kentucky Data Center.

- **Recorded Program Presentations**

The count of views of asynchronous program presentations for a period of thirty (30) days after the presentation was posted.

GLOSSARY

- **Reference Transaction**
An information contact which involves the knowledge, use, recommendations, interpretation, or instruction in the use of one or more information sources by a member of the library staff.
- **Total Electronic Access Costs**
Operating Expenditures for Electronic Access includes computer hardware and software used to support library operations, whether purchased or leased, mainframe and microcomputer. Includes expenditures for maintenance, and for equipment used to run information service products when that expenditure can be separated from the price of the product.
- **Total Library Staff**
Sum of total librarians and all other paid staff funded in the library's budget, expressed as FTE.
- **Total Material Circulated**
Total of all material circulated for the central library, branches, and bookmobiles.
- **Total Operating Expenditures**
The sum of expenses for general operations, bookmobiles, computers, and continuing education.
- **Total Operating Revenue**
Sum of local, state, federal, and other operating revenue.
- **Total Staff Expense**
Salaries and benefits.
- **Users of Electronic Resources Per Year**
The annual number of users of electronic resources in the library. Electronic resources include, but are not limited to, Internet (WWW, email, other), online indexes, CD-ROM reference materials, software, and the online catalog. Does not include staff use of these resources.
- **Video – Physical Units**
These are materials circulated in a fixed, physical format on which moving pictures are recorded, with or without sound.
- **Virtual Programs**
Any planned event that is streamed virtually and can be viewed live as it progresses (i.e., live streaming).
