

Recommended Resource List: Hazardous Materials

The State Library of the Kentucky Department for Libraries and Archives is dedicated to "Serving Kentucky's Need to Know."

To request a title from the State Library:

- *State government employees should follow the call number link to the [KDLA Catalog](#) and click on the "Place Hold" button in the Availability section. Check the information on the form and then click on "Submit" button. Materials can be delivered by messenger mail in Frankfort or by UPS to field/district offices (return postage included).*
- *Public library staff should use their libraries' own interlibrary loan system for requests.*
- *Members of the general public should contact their local public library for interlibrary loan service.*

Asbestos Awareness: Understanding the Risk

DVD; 26 min.

Call number: [DV 363.1791 Asbe](#)

Provides an introduction to asbestos and the risks involved in exposure. The three forms of asbestos, adverse health effects, sources of asbestos and personal protection are some of the topics that are covered. DVD-ROM capabilities are necessary to access the added features which include a customizable PowerPoint presentation and a printable leader's guide.

HazCom: In Sync with GHS

DVD; 16 min.

Call number: [VC DV 363.17 HazC](#)

Helps employees understand the new Globally Harmonized System of Classification and Labeling of Chemicals (GHS). This new HazCom standard not only gives workers the right to know the chemicals and hazards they face, but the right to understand them and how to protect themselves from danger.
