

## Uncharted Territory Webinar Follow-Up

### Partnering Suggestions

- Extension Office for craft and food programs; also taking books to the Extension Office for people to check out
- Regional artists/arts council & local businesses for an annual art exhibition or meet & greet
- Churches
- Senior centers (Active Day, etc.)
- Animal shelter (dog costume party – Jessamine Co.)
- Schools (Lego club, get ready for summer reading program; at the beginning of the school year give every first-grader a backpack, a book, and info about getting their library card – Jessamine Co.)
- Historical Society
- Humanities Council will provide speakers
- Local college/university (reading programs, assisting each other in programming, literary & history lecture series)
- Other county libraries
- HeadStart, United 4 Kids program (50 books you need to read before kindergarten and educational backpacks with books, games, etc. for checkout – Wolfe Co.)
- ALA Libraries Transform campaign (<http://www.librariestransform.org/#because>)
- Museums
- YMCA for offsite lending
- Local homemaker group – president can speak about gardening, decorating, crafts, etc. (Barren Co.)

### Programming Suggestions/Ideas

- Find a community member to volunteer to teach crochet (Extension office?) (Powell Co.)
- Make Derby hats (Davies Co.)
- Andrea's ideas (Taylor County PL):
  - Community blood drive that supplies a scholarship for community students
  - Senior game day
  - Adult coloring group
  - Creative writing class (led by a patron)
  - Adoption sessions
  - Teen counseling sessions
  - Fall fashion preview
  - Intro to ballroom dancing
  - Comic book club
  - Teen coffee house
  - Independent child parenting workshop
  - All about dentistry
  - Kid's breakfast club
  - Stream TED Talks a couple of times a week and hold discussion afterwards
- Look at other library's calendar of events/programs and borrow their ideas! Call the library to ask for details on how it worked.

- Know-It-All Festival – 2 days, 2 locations, 170+ mini presentations covering everything; the most popular sessions will be turned into full programs. (Madison Co.)
- Summer Reading theme-related family science night; set up stations and the families do kitchen table science experiments. (Barren Co.)
- Drum line performance for Black History Month (give notice of noise!) (Jessamine Co.)
