Subject: FY24C2 LR Grant Application_RE: CRITTENDEN COUNTY CLERK 2023 CYCLE 2 GRANT APPLICATION
Date: Monday, October 2, 2023 11:57:00 AM
Importance: High

Currently your FY24C2 Local Records Program Grant application does not meet criteria for completeness and compliance and cannot move forward. For this cycle only, KDLA will be re-opening the cycle to allow for applications to be updated to meet basic compliance requirements. Becca Halbmaier, West Regional Administrator, will be assisting with this process. She will be contacting you to discuss options and next steps.

Below is a general overview of requirements that must be met for the grant application to be in compliance and potentially funded. Becca will work with your office to assist in completing and is available to consult through the process.

- Bids
 - Section 1: Two (2) bids (one bid, one no bid) received. An additional bid is required for funding consideration.
 - Section 2: Three (3) bids (one bid, two no bids) received. There are deficiencies with the bid (did not include all required information) that must be addressed for funding consideration.
 - Section 3-5: Three (3) bids received. These sections can move forward as currently submitted.

Please note that while the timeframe is limited, KDLA is committed to assisting where possible. This process should begin as soon as possible. Becca will be in contact with your office this week (October 2-6) to discuss details and help with next steps. Please advise if you are uninterested in continuing and/or if another individual in your office should serve as point of contact. FY24C2 application resubmission deadline is October 31, 2023.
