Hi Jana,

Basing this on a box count for the 143,000 pages in the RFP, which would be 60-65. \$1100 should cover the pickup and delivery for 60-65 boxes.

Thanks!

Importance: High

I just left you a voicemail also. The Library and Archives Grant Committee needs a hard total for the line you had as PICK UP AND DELIVERY- TBD. They need a hard number to add to the grant, and they need it as soon as possible. They are literally at a table reviewing them today and waiting on an email from you guys or they are going to only pay what is on the bid.
Thank you.
