## Records Retention Schedule

Prepared by the Local Records Branch  
Archives and Records Management Division

Approved by the State Libraries, Archives, and Records Commission

Kentucky Department for Libraries and Archives

## GLOSSARY OF TERMS For Records Retention Schedules

- Permanent (P)** Denotes records appraised as having historical, informational or evidential value that warrants preserving them permanently (forever) beyond the time needed for their intended administrative, legal or fiscal functions. These records may be destroyed **only** after the written permission is given by the State Archivist and after they are microfilmed according to specifications published by the Department for Libraries and Archives.
- Confidential (C)** Records deemed unavailable for review by the public after applying the state’s Open Records Law (KRS 61.878) and other state and federal statutes and regulations with specific restrictions. The (C) is added to appropriate record series descriptions as a reminder to agency personnel and does not bear any legal status. **It is important to note that the local government head has the responsibility of knowing all the appropriate confidentiality laws, statutes and regulations that apply to the records maintained in their office and to see that they are enforced.** Even though a record series may or may not be marked confidential on a records retention schedule, contradictory laws or regulations that are approved after the retention schedule has been completed may not be reflected but must be honored.
- Vital Record (V)** Records that are essential to the continued functioning of the local government during and after an emergency, as well as those records that are essential to the protection of the rights and interests of that local government and of the individuals for whose rights and interests it has a responsibility. Local Government should have a plan in place to identify those records and provide for their protection in case of a disaster (fire, flood, earthquake, etc.).
- Duplicates** Duplicate records that have not been assigned a retention period and function solely as reference and informational material may be destroyed when no longer useful. If the duplicate is considered the “copy of record”, it must be retained according to the retention period on the schedule.
- Destruction Certificate** A destruction certificate should be used to document the destruction of public records and may be found, along with the instructions at the Kentucky Department for Libraries and Archives website ([www.kdla.ky.gov](http://www.kdla.ky.gov)). It should be used when destroying records according to the appropriate records retention schedule. No record created or maintained by a local government agency may be destroyed unless it is listed on the retention schedule and a destruction certificate completed and the original copy sent to the Department for Libraries and Archives (Department).
- After Audit** A term used in the disposition instructions to denote a records series that shall only be destroyed after the retention period has expired and an official audit has been performed. Example: 3 years and audit: This means that the record series must be kept for 3 years after last activity or date in a file. The record must have gone through the annual audit before it can be destroyed.

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L1384	<b>Record of the Board of Election Commissioners</b>	This record series documents actions and decisions of the County Board of Election Commissioners and the final tabulation of votes cast in all elections.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record may contain: Minutes, appointments, substitute officers, locations and place changes for polling locations, certification of total of votes cast, record of voting by election and precinct for each candidate and each office, tabulation statement of votes cast and related information.
	<b>Retention and Disposition</b>	Retain Permanently.
L1386	<b>Poll Books (Closed 1891)</b>	This series documents the voters who participated in each election by precinct. It was used as a verification tool for checking number of voters against election totals. This particular book was also used repeatedly so that a history of participation is available. This process is thought to have ended around 1891.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	May contain oath of officer (in front of book), voter number, voter name, voter residence, precinct number, ward number, color, notation of voter participation in prior election, party affiliation, remarks
	<b>Retention and Disposition</b>	Retain Permanently
L1387	<b>Voter Registration Books (1892-1935)</b>	This series documents the voter registration process that was used from 1892-1935. It was used at each precinct to permit voters to exercise their constitutional right to vote. It provides a history of who voted in each election. These are handwritten volumes that were also sometimes called "Voter Lists". This process was replaced with a voter registration card in approximately 1936.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	May contain voter name, voter residence, precinct number, ward number, color, notation of voter participation in prior election, party affiliation
	<b>Retention and Disposition</b>	Retain Permanently
L1394	<b>Master File Activity Report (V)</b>	This series documents any changes to a voter's registration information. Changes such as address changes, party affiliation changes, etc. are made to the system. The information is then made available daily to the county clerk for verification before the changes are made an official part of a voter's file. This document is used primarily as a tool to help maintain the integrity of the information held by SBE in comparison to the voter registration information held by the county.
	<b>Access Restrictions</b>	None

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L1400	<b>Federal Post Card Registration and Absentee Ballot Request (V)</b>	This record series is used to document the registration record which is used primarily by military personnel and their dependents and citizens who are overseas. The document registers the individual to vote and requests an absentee ballot. The form can be printed from the Internet and/or faxed to the county clerk. The post card registration is kept for the same period as the permanent voter registration record (often attached to it) because it carries the citizen's signature.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the name & address, sex, social security number, other identification number (passport, ID card, etc.), marital status, birth date, place of birth, naturalization number if applicable, place of naturalization if applicable, date of naturalization if applicable. Record of last voting: year, county, city, or township; voter registration number. Voting residence: last date of residency address. Complete mailing address for mailing ballot. Reason for absentee ballot. Election for which ballot requested. Applicant affirmation as to citizenship, etc. Signature and date.
	<b>Retention and Disposition</b>	Destroy 1 year after Voter Registration Record (L1747) is purged
L1405	<b>Official Count and Record of Election Totals (V)</b>	This form is used by the chairman of the county board of elections (the county clerk) to report vote totals to the Secretary of State which are then passed to the State Board of Elections for official certification. This is the permanent record of the final vote.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	Information: county, date, election commissioners who canvass the returns: certification. For each office: candidate, party, office, total votes received. Total number of absentee ballots cast in the county. Signatures of the county board of elections commissioners.
	<b>Retention and Disposition</b>	Retain Permanently

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L1419	<b>Oath of Voter (V)</b>	If the election officers at the polls find it necessary to challenge the right of an individual to vote (questionable address, identity, etc.), the individual is asked to sign this oath as to his qualifications to vote. Election officers return the signed oaths to the county clerk who delivers them to the commonwealth attorney. The commonwealth attorney and county attorney investigate each oath and seek grand jury indictments against any individuals they determine voted illegally. The grand jury foreman returns to the county clerk all the oaths upon which no indictments were found.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	Information: name, address, precinct, social security number of voter, oath, voter signature, certification of election official administering the oath, reason for requiring oath, and signature of person challenging.
	<b>Retention and Disposition</b>	Destroy 22 months from date of election
L1421	<b>Register of Candidates for Nomination in Primary Election (V)</b>	This series documents the official list of candidates that are to be placed on the ballot for the primary election. Once all requirements have been met and verified, the Secretary of State issues to each county a comprehensive list of names of candidates that are vying for eligible constitutionally established offices. This document allows each county clerk to begin the process of creating and making public an official ballot for each election.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	May contain date, name of candidate, party affiliation, name of office, incumbent notation, eligibility status

L1241	<b>Marriage Return (Created by State Auditor's Office [1852-1910]) (V)</b>	This record series is used to document those marriage returns that were required to be collected by the State Auditor. The Government of the Commonwealth of Kentucky kept no birth, marriage, or death records prior to 1852. This record series is used to document the marriages under the first vital statistics law, passed by the Kentucky General Assembly in January, 1852. It required the Auditor's Office assessors of the tax to record births, marriages, and deaths each year as they assessed property for the tax. The Auditor's Office never did the job well, and constantly complained about this additional task assigned it. This vital statistics law was repealed in 1862. These are those returns that the auditor was to receive.

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L2577	<b>County Judge/Executive Order Book (V)</b>	This record series is used to document all orders of the Office of the County Judge/Executive and may contain certifications such as notary publics, solemnizing marriages, resignations of elected officials, appointments, and miscellaneous recordings. The office of the county judge/executive was established by an act of the legislature (Acts 1976, Ch. 20, Sec. 1). Prior to this the county judge was responsible for probate, judicial, and administrative duties. The office of county judge/executive took effect January, 1978. The county clerk up to this point maintained county court order books which contained probate and administrative orders. The clerk, in some instances, continued the use of these books after January 1978 in recording the orders of the county judge/executive, thus the first county judge/executive order book may contain both pre-1978 and post 1978 material.
	<b>Access Restrictions</b>	None

L2831	<b>Record Book of Common School Commissioner</b>	This record series is used to document the operation of the Common School Commissioner or the successor County School Superintendent is the chief school district administrator. This volume contains primary and essential information about the operation and management of the School District. Precise informational content varies by school district, school district organization, and time period. However, this volume contained essential information for school operations and to fulfill reporting and planning requirements. This volume possesses enduring value beyond its original purpose because of its evidentiary and informational record about the county school system. As found in the county clerk's office this is usually a 19th and early 20th century record. This record may also be located in the County School Superintendent's Office. There also should be found the more current records of this series. This record is frequently found in county clerk's offices because it was common prior to 1940 for the school superintendent's office to be located in the courthouse. The clerk's office was a convenient and natural location to place these completed records.

L1309	<b>License Plate Validation Decal Book</b>	This record series is used in issuing license plate decals upon presentation of a valid certificate of registration. With the license plate permanently fixed for 5 years, this decal is issued during this time and attached to the plate as proof of current registration of the vehicle. When the decal is issued, the license plate number is written in the space it previously occupied in the book. This is used as a cross reference between the plate number and decal number. These books are issued by the Division of Vehicle Licensing with the number issued based upon the past years number of vehicle registrations.

L2311	<b>Motor Vehicle Register</b>	This record series is used to document those persons registering their motor vehicles. The Acts of Kentucky: 1920, Chapter 90, Section 17, p. 415 states that before the owner of a motor vehicle could operate or be permitted to operate a vehicle on the public highways in Kentucky, the vehicle had to be registered with the county clerk in which the owner resided or with the county clerk where the vehicle was to be operated. Registration was required annually. The register is a forerunner to our present motor registration system and is no longer maintained. It is an obsolete record series, most often maintained in a bound form. While a few clerks may still use this record, it went out of general use in the 1950's. The official vehicle registration is the form supplied by the Department of Transportation.

<b>L2600</b>	<b>County Clerk Inactive Inventory Pick up Report</b>	This record series is generated by the Department of Motor Vehicle Licensing using the Clerk's Weekly State Fee and Tax Detail Report and sent to the clerk's office quarterly. It lists the items (decals and plates) which are to be picked up by a representative of the Dept. of Motor Vehicle Licensing. These plates may have been turned in because they were no longer readable or rusty. These items also include unused plates and decals. This list is checked against the actual plates and decals which are on hand. If there is a discrepancy, an affidavit for those plates must be completed. The Clerk submits TC 96-167 in place of the missing plate or decal. The items mentioned are picked up quarterly with the original copy of the report going with those items.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the program number, report number, clerks office, location of office, dates of reports, year, month, inventory type, clerk I.D., report week, transaction date and time, exception (source-type-reason), total items, comments or remarks, certification section (county name, county clerk signature, Div. of Motor Vehicle Licensing Field Representative, MVL warehouse representative, dates, total number of items on pick up report that could not be picked up).

<b>L2604</b>	<b>Affidavit of Incomplete Transfer</b>	This record series is used by the seller of a vehicle to certify that he/she sold a vehicle and that an assignment and warranty of title be executed to the transferee. This will prevent the transferee from using the seller's registration and plate and make he/she transfer it to their name when renewal is necessary. This record is attached to the certificate of registration of the seller and entered into KAVIS. When entered this will stop the transferee from registering the vehicle. The seller can also use this record to initiate Civil Court proceedings against the transferee, if necessary, through the County Attorney.

<b>L2608</b>	<b>Certificate of Registration - Fee and Tax Receipt</b>	This record series is used to document that a vehicle has been registered for licensing and all ad-valorem, usage tax, and fees have been paid. Since the inception of the KAVIS automated registration system, this record is also used to register government-owned (official) vehicles. If a vehicle is purchased and a certificate of registration is sought, a certificate of title must be presented along with a Vehicle Transaction Record. This certificate of registration must be renewed yearly, except in the case of official vehicles which are registered only once. When this record is purchased a license plate or decal is issued. This certificate of registration is used for all motor vehicles which are subject to licensing. The vehicles which are subject to licensing are trucks, cars, motorcycles, trailers, motor homes and mobile homes. The procedures for registering official vehicles differs slightly from private ones. The local government wishing to register a motor vehicle makes application for title and registration by completing the Vehicle Transaction Record (VTR) at the county clerk's office. The clerk sends the VTR to the Div. of Mtr. Vehicle Licensing (MVL) for approval. MVL approves and returns VTR and the official vehicle license plate to clerk who then enters registration into KAVIS system, prints certificate of registration, and hands certif. and plate to local gov't. Div. of Veh. Reg. (DVR) maintains the official registrations permanently in KAVIS; they are not subject to system purges. DVR also keeps paper record permanently. The local gov't keeps its copy; county clerk has a copy. When official vehicle is taken from service, the local gov't is supposed to return plate and registration to county clerk.

<b>L5128</b>	<b>Monthly Motor Vehicle Property Tax Collections File (V)</b>	This record series is constituted by several KAVIS-generated reports that document the motor vehicle property tax collection (ad valorem tax) by a county clerk for a given month. The record serves as a check on tax-collections: its purpose is to ensure that the ad valorem taxes the county has collected and documented match the figures in KAVIS. The record further serves as a check on the assessment of taxes in the various districts within a county and a record of taxes collected for other counties. Any corrections or exonerations of tax assessment are handled through the county's PVA. The clerk then writes a checks to cover taxes collected to the individual districts within the county and to the state. The state then distributes taxes collected for other counties to the appropriate county.

<b>L5129</b>	<b>Weekly Motor Vehicle Processing File (V)</b>	This record series comes to the County Clerk's office from the Transportation Cabinet on a weekly basis. It mainly serves as a supporting document for payment to the Transportation Cabinet of fees and taxes collected by the County Clerk. It also serves to verify the County Clerk's receipts for fees and taxes collected, and to ensure that the County Clerk has collected the proper fees. When the report arrives, the Clerk matches it against his/her own figures for fees and taxes collected in the Clerk's Office. If there are discrepancies between the two sets of figures, the Clerk investigates and makes necessary corrections. Once the Clerk has corrected any differences, the correct reports are generated and the Clerk's Office issues the check for the fees and taxes owed to the Transportation Cabinet. After the County Clerk has issued the check, there is little reentry, and the record is used primarily as an audit trail document.

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L1358	<b>Federal Crop Mortgages</b>	This record series is used to document mortgages recorded on crops by the federal government starting in the 1930's. These mortgages were on crops to be grown and were used by the farmers to secure loans to operate and keep their farms. These were considered chattel mortgages by the courts.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the name and address of mortgagor, date and amount of loan, description and location of property, kind of crop, number of acres planted, copy or mortgagor's notarized signature, certification of county clerk.
	<b>Retention and Disposition</b>	Retain 2 years, then destroy
L1360	<b>Chattel Mortgage (Bound &amp; Unbound)</b>	This record series is used to document the pledging of personal property as security for the payment of indebtedness. The series takes its information content from the original instrument filed with the County Clerk. Note: This record series ceased to exist in 1960. No longer maintained.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the name of mortgagor and mortgagee, date mortgage made and date due, number of document, amount secured, description of property pledged, date recorded, copy of mortgagor's notarized signature, certification of county clerk, and date certificate delivered to mortgagee.
	<b>Retention and Disposition</b>	Retain Pre-1866 chattel mortgages Permanently, destroy all others.
L1361	<b>Minutes Chattel Mortgage Books</b>	This series documents and provides an abstract of chattel mortgages, deeds of trust, or other instruments intended to operate as pledges, mortgages, or liens on personal property. Such instruments are not recorded at length but are indexed and entered as an abstract of facts. In 1928, Chapter 141, Section 3 of Kentucky Statutes, authorized the creation of this specific record series and outlined the information to be recorded in the minute book. Section 5 of Chapter 141 provided that all such mortgages, deeds of trust or pledges of personal property filed with the county clerk were presumed to have been paid after the expiration of fifteen years from the date of maturity of the debt unless the county clerk before the expiration of that period should receive an affidavit in writing stating that the debt had not been paid and showing the amount due. In 1958, KRS 355.9-403 was established setting the retention of the series at five years and 60 days. Most counties no longer create this record series and have replaced it with the Debtor Index to Financing Statements (L1568). In fact, in 1960, the section of statute requiring maintenance of this series was repealed.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	Time of filing, name of mortgagor, name of mortgagee or trustee, date of instrument, amount secured thereby, when due, property mortgaged or pledged, and remarks. Under the property mortgaged column would be a general description of the property. The remarks column would be a notation of the satisfaction or assignment of the debt or lien.
	<b>Retention and Disposition</b>	Destroy
L1362	<b>Financing Statement File</b>	This record series is used to document that there is a security interest in goods and services that have been purchased. This financing statement is sufficient if it gives the names of the debtor and the secured party, is signed by the debtor and gives their addresses and contains a statement indicating the types, or describing the items, of collateral. This series is maintained as a lien on the property. A mortgage may be used as a financing statement.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the name of the debtor, address, name of secured party, address, a description of the property if collateral or real estate for fixtures, timber, minerals (oil and gas), signature of debtor, signature of secured party, continuation, release, and title lien.
	<b>Retention and Disposition</b>	Destroy lapsed statements 6 years after filing date of financing statement and audit

L4935	<b>Fixture Filings</b>	This record series is used to document goods that are considered "fixtures". KRS 355.9-313 states that goods are "fixtures" when they become so related to particular real estate that an interest in them arises under real estate law. A "fixture Filing" is the filing in the office where a mortgage on the real estate would be filed or recorded of a financing statement covering goods which are or are to become fixtures. This record series is considered a regular UCC filing with the following requirements: 1) must also show that it covers this type of collateral. 2) must recite that it is to be filed in the same office as real estate records. 3) the description of the real estate must be shown and the name of the record owner of the real estate must be listed. The description can be more informal than is required for deeds and mortgages. 4) The county clerk shall index the names of the debtors and any owners or record of the real estate listed on the UCC as mortgagors and the secured party as a mortgagee. 5) may be amended or assigned like all other UCC filings. 6) These filings require full terminations or partial terminations, as the case may be. 7) All fees are exactly the same as all other UCC filings. A mortgage can include items which are or can become fixtures.
	<b>Access Restrictions</b>	None

Historically speaking, a written deed is the instrument used to convey ownership of real property.</p> <p>A deed is a written instrument that transfers the title of property from one person to another. Although many types of deeds exist, title is usually transferred by a warranty deed. A warranty deed provides the greatest protection to the purchaser because the grantor (seller) pledges or warrants that she legally owns the property and that there are no outstanding liens, mortgages, or other encumbrances against it. A warranty deed is also a guarantee of title, which means that the seller may be held liable for damages if the grantee (buyer) discovers the title is defective.</p> <p>Other instruments may be recorded in the deed book such as Deeds of Release.</p> <p><b>Access Restrictions</b> None</p> <p><b>Contents</b> This record series may contain the grantor name, grantee name, consideration statement, legal description, source of title, preparation statement, return mail address, grantor signature, notary and county clerk certification.</p> <p><b>Retention and Disposition</b> Retain Permanently</p>

<b>Series</b>	<b>Records Title and Description</b>	<b>Function and Use</b>
L1320	<b>Land Entry Record (Bound or Unbound)</b>	This record series is used to document land records from the settlement of Kentucky began in 1763 and became often used from 1779, thirteen years prior to statehood until the outbreak of the Civil War when further land speculation was no longer encouraged. In 1763 King George III made a proclamation for French and Indian War soldiers to be paid in land warrants instead of cash. Virginia, the mother colony, was too involved to effectively regulate the distribution of western lands and in 1779 a Land Law was passed which established a land office and commission to settle claims and provide for claims of existing settlers and treasury warrants were sold. Different Land Grants were called: Virginia Treasury (IN) Warrants (1780-1789), South of Green River Grants (1795-1866), U. S. Military District (OH) Grants (1796), Tellico Grants from the Cherokee Indians (1805-1853), War of 1812 Bounty Land Warrants (MO, AR, MI and IL) (1816-1873), West of Tennessee River Military Claims and West of Tennessee River Land Grants (1818-1858), Grants South of Walker's Line (1825-1923), County Court Order Grants for vacant Lands (1835), Federal Bounty Land Grants (Act of 1850), and the Homestead Act for Civil War Veterans to obtain land out west (1862). These records guaranteed legal rights to real property.

L1771	<b>District Court Deed Book (1796-1802)</b>	This record series is used to document the process whereby deeds of conveyance of real estate property that was sold as a result/judgment of one of the District Courts. In 1795, the state judicial system was reorganized. The Court of Appeals underwent major change. The court's original jurisdiction was shifted to a network of newly created district courts, five of which held civil jurisdiction. The district court which met in Frankfort had criminal jurisdiction. In 1796, the General Assembly adjusted jurisdiction of the district courts, vesting all with civil and criminal jurisdiction. One of the areas of jurisdiction of the district court was land disputes. Cases involving title to lands that were pending in the Court of Appeals created by the 1792 legislation were removed to the District Court for the district in which the land was situated.

L2613	<b>Temporary Index to Recorded Instruments -- (Temporary Index - Strip or Printout)</b>	This record series is used to access by name records recorded in the Office of the County Clerk. The index typically accesses wills, name changes, corporations, liens, deeds and mortgages. Their series numbers are L1317 Deed Books, L1344 Mortgage Books, L1314 Will Books, L1348 State Tax Liens, L1349 Federal Tax Liens, L1368 Corporation Records and L1369 Name Changes. The temporary strip index (a gummed label affixed to a blank index page) was used in the Jefferson County Clerks' Office from 1979 through the end of 1988 and temporary strips were created daily. The strips were used in part because record room searchers were reluctant to use computer terminals and/or problems with the computerized index system. Beginning in January 1989, temporary strips were discontinued in Jefferson County and access is by computer terminal or computer printout. In Jefferson County, the temporary strip is now an obsolete record. The computer printout continues to be created. Although this series came to our attention from the Office of Jefferson County Clerk, the temporary strip or printout is common where automated indexes are used and may include other recorded instruments beyond those noted above.

<b>L2815</b>	<b>Court of Quarter Sessions Deed Book (1792-1804)</b>	This record series is used to document the deeds of conveyance of real property sold as a result/judgment of the Court of Quarter Sessions. The 1792 Kentucky Constitution created a series of trial courts which included the above mentioned one. The Court of Quarter Sessions held jurisdiction to try all civil cases at common law and chancery of not less than five pounds current money or one thousand pounds of tobacco, as well as criminal cases not punished by the loss of life or member. The Court held jurisdiction over matters regarding escheats (reverting of land to the government) and forfeitures arising within the county. The Circuit Court System established in 1802 dismantled the Courts of Quarter Sessions. An Act of 1804 abolished all remaining Courts of Quarter Sessions.

<b>L2930</b>	<b>Land Use Restriction Book (V)</b>	This record series is used to document the filing of a certificate of land use restriction with the office of County Clerk. Beginning in 1988, K.R.S. 100.3681 required the County Clerk of counties which contain a planning unit to file and maintain a certificate of land use restriction as completed and filed by the secretary of the planning commission, board of adjustment, legislative body, or fiscal court which adopt or impose land use restrictions. The planning unit collects the county clerk's filing fee for the certificate at the time the proceeding is initiated (\$10.50) and may also charge the applicant a fee for the reasonable costs of completing and filing the certificate (not to exceed \$10.50). K.R.S. 100.3683 provides for the format that the certificate shall follow.

<b>L3037</b>	<b>Affidavits to Establish Deed Titles After a Fire or Other Disaster</b>	This record series is used to document the affidavits to authorize the restoration of deeds and titles to real estate after they have been destroyed by fire or some other disaster. Depositions were taken by a commissioner or commissioners appointed by the county judge or county court to establish title to real estate after a courthouse fire or other courthouse/clerk's office disaster. The authorization to this before the 1891 Constitution came from an Act by the General Assembly of Kentucky. An example of the Act for these records found at Graves County is attached. This series was closed when KRS 442.270, which is attached, went into effect on October 1, 1942 and says that a person seeking action to supply a lost record may institute a suit in equity, in the county where such instrument was recorded, against the grantors or obligators in the writing, or his heirs or personal representatives, setting forth the fact of the existence of such writing, and the destruction of the record. CLOSED SERIES: 10/01/1942.

The series format, title, and medium vary from county to county. The function and use, however, remain the same. Tax bills are mailed out to taxpayers in the Fall of each year. The bill is delinquent if not paid by January 1 of the year following the tax bill. There are 4 copies of the tax bill. It is created by the county clerk and delivered to the sheriff for collection. The top copy (white) is the taxpayer's receipt copy after payment is made. Copy two (green) is the sheriff's payment copy and is kept by him. Copy three (pink) is the sheriff's receipt when the bill is paid. Copy four (yellow) is the one mailed to the taxpayer each year in the Fall as notice of tax due. On the reverse of the white copy of the tax bill is found the certificate of delinquency. Tax bills are in alphabetical order and numerical order. After the sheriff has collected his 95% of bills, usually during the current year, delinquent bills/certificates of delinquency are delivered to the county clerk for late collection. The county clerk, assisted by the county attorney who sends out delinquent tax letters, is able to enforce collection of unpaid bills for 7 years per KRS 134.470.</p> <p><b>Access Restrictions</b> None</p> <p><b>Contents</b> This record series may contain the taxpayer name; year due; tax bill number; no. acres; assessed value; amount due tax districts, state, county, school; advertising cost; total amount collected; 6% penalty; interest to date of sale; penalty added after tax sale ___%; interest from date of sale to date redeemed; sold to; paid and released, date, clerk certification.</p> <p><b>Retention and Disposition</b> Retain 11 years. L5138	<b>Fixture Filings &amp; Other UCC Filings</b>	<p>This record series is used to document commercial transactions pertaining to liens placed on certain property. Revised Article 9 of the Uniform Commercial Code, codified in KRS 355.9 deals with secured transactions on personal property and others related to real estate. Revised Article 9 creates a central filing office for most UCC filings. All UCC filings are to be made in Kentucky to the office of the Secretary of State except for Title Liens, Fixture Filings, Timber (to be cut) and as Extracted Collateral (Minerals). Fixture Filings, Timber and Minerals are to be filed in the county clerk's office with the real property records and must contain a reasonable description of the real estate. The secured party must present the financing statement and bears the burden of the information on the statement. The county clerk does not police the information. The financing statements for these three items must be made in paper form. Fixture filings have been recorded in a book and it is recommended that the other UCC filing be placed there as well.</p> <p><b>Access Restrictions</b> None</p> <p><b>Contents</b> This record series may contain the name, address, SS# of the secured party, name, address, SS# of debtor, collateral covered, indicates that it covers the collateral, indicates that it is to be filed in the real property records, description of the real estate, name of the record owner and file #. 	<b>Retention and Disposition</b>	Retain 6 years from filing date of related financial statement or amendment of continuation. Destroy after audit.
L5141	<b>Amendment of Continuation</b>	This record series is used to document that a financial statement is being continued for another 5 years. A continuation may be filed only within 6 months before the expiration of the 5 year lapse period of the financial statement.
	<b>Access Restrictions</b>	None
	<b>Contents</b>	This record series may contain the name and address of the secured party, the debtor, the SS# or the tax ID # of each, description of the collateral and original financial statement # and indexing info.
	<b>Retention and Disposition</b>	Retain 6 years from filing date. Destroy after audit.
L5142	<b>Amendment of Correction</b>	This record series is used to make corrections on existing financial statements. This correction may add or delete collateral or adds a debtor to the original financing statement. The debtor added must be notified. This amendment is only effective from the date of filing of the amendment. It is ineffective when it purports to delete all debtors and fails to provide the name of a debtor to be covered by the financing statement or purports to delete all secured parties of record and fails to provide the name of a new secured party of record. This amendment must give the file number, date filed, debtor's name and address, secured party' name and address. It must also state the correction desired. This feature was primarily designed to combat bogus liens.

The Assessment by the PVA is to stay in that office for 5 years and then be transferred to the County Clerk's Office.  The Tax Assessments are the primary tax assessment record. The tax assessment is prepared by the Property Valuation Administrator (PVA) from the tax assessment appraisal card, which is created in the property assessment process. The PVA is required to reassess property one time every four years. From the assessment book the PVA creates the Recap of Real Property Tax Roll which is sent to the Revenue Cabinet to obtain approval. After approval, there is a thirteen day public inspection period. Following this, the PVA creates the Summary of Real Property Tax Roll Changes for the Revenue Cabinet, which if it approves, sends the PVA the Certificate of Equalized Assessment, signifying that the tax assessment is approved and the PVA's job is completed. After approval the PVA gives the tax assessments to the county clerk who uses it to prepare the tax bills.
