Narrative

Please see the RFP document for all details of Pioneer County Public Library's requests.

Note to Kentucky public libraries reviewing this example: Managed Internal Broadband Services (MIBS) and Basic Maintenance of Internal Connections (BMIC) are somewhat similar. Listing both service types on the same Form 470 helps 'cover the bases' to reduce potential issues during application review. Your library can accept the bid for the most cost-effective service and help ensure that either service type can be listed on the Form 471 application.
