INTRODUCTION

The Statistical Report of Kentucky Public Libraries, Fiscal Year 2016-2017 contains information taken from the Annual Report of Public Libraries. The statistical report is divided into seven sections:

- **A summary of library statistics for the most recent year, and comparisons with the three prior years.**
- **A series of charts listing the top counties in various per capita library measures.**
- **County by county library statistics in 93 categories. **Item #39, Number of Outreach Vehicles, is added to the report this year.****
- **A select group of statistics arranged in order of county population. Counties are also ranked in the selected statistics section.**
- **A glossary of terms used.**
- **A special section of statistics, including county ranks, is offered again this year. Check out these interesting ways to measure your library, on pages 68 to 79.**
- **A revised list of recommended links to web sites devoted to public library statistics is on page 80.**

WEB LINKS TO PUBLIC LIBRARY STATISTICS AND RESOURCES

Kentucky Department for Libraries and Archives “Public Library Statistics” --

<http://kdla.ky.gov/librarians/plssd/Pages/LibraryStatistics.aspx>

This section of the KDLA web site contains links to the Statistical Report of Kentucky Public Libraries, library comparisons, and other library statistical resources.

Informata Connect -- <http://CollectConnect.baker-taylor.com>

Connect is a powerful, easy to use online statistical tool for creating tables and graphs comparing libraries throughout the country. Connect is licensed to all Kentucky public libraries, their staff and trustees. You will need a login and password to use the program. The program has recently been updated with an improved interface and additional capabilities.

Kentucky State Data Center -- <http://ksdc.louisville.edu/>

This site is an essential resource for demographic information about Kentucky and its counties.

American Library Association, Office for Research and Statistics -- <http://www.ala.org/offices/ors/>

ORS offers a wide range of information and links to studies of all types of libraries.

Library Research Service -- <http://www.lrs.org/>

“The Library Research Service generates library statistics and research for library and education professionals, public officials, and the media. LRS reports and analyzes statistics on school, public, and academic libraries, and conducts studies on major library issues that are reported in the Fast Facts and Closer Look series. LRS is an office of the Colorado State Library, which is a unit of the Colorado Department of Education. Additionally, LRS works in partnership with the Library and Information Science program at University of Denver’s Morgridge College of Education to offer research fellowships to current MLIS students.”

Institute of Museum and Library Services – Library Statistics --

<http://www.ims.gov/research/public-libraries-in-the-united-states-survey.aspx>

Beginning in 2008 the Institute of Museum and Library Services (IMLS) administers two library surveys previously conducted by the National Center for Education Statistics (NCES). The Kentucky Department for Libraries and Archives provides input for both the Public Library Survey and the State Library Administrative Agency Survey.
